

# Packin' Up Santa's Sleigh

Christmas Eve is finally here  
Most the elves have disappeared  
Had enough workin' hard all year  
But we stayed late and volunteered

CHORUS:

Fa-la-la  
Hey-hey-hey  
We're packin' up Santa's Sleigh  
Fa-la-la  
Oh boy  
We're in charge of all the toys

Hey what's this?  
He won't miss that  
Why give it to a little brat?  
Glad I'm wearing extra layers  
I want I want that record player

Gimme that  
Hey, let go  
Santa Claus will never know  
Grandma doesn't need more brandy  
Lookie lookie look at all this candy

(CHORUS)

If the sleigh is too heavy  
It would be disaster  
I'll just take this Stratocaster  
Model cars  
Little jeeps  
Why give 'em to a little creep?

Close the bag!  
(This won't fit in it!)  
Santa's leaving any minute  
Our work is done  
Here comes the snow  
Time for a drink  
Hey hey let's go!

(CHORUS 2x)
