

Virtually Everywhere

(Based on a Baby Felix script storyline)

CHORUS:

We can go virtually anywhere
Throw a smile across a million miles
I'll see ya there
We can be virtually everywhere
Yours truly
Virtually everywhere

Was ist los?
Professor please please diagnose
Qu'est-ce que?
Why is my digital display wearing a toupee?
England, France, we can go-go dance
To L.A. for the night
For a quick mega-bite
On the internet

CHORUS

Rewind
Click a ticket to back in time
I'm a cowgirl (git along)
The Dutchess of Earl (name that song)
Be someone they won't forget
And you can live forever on the internet
on the internet

CHORUS

GUITAR SOLO

Was ist los?
Professor please please diagnose
Qu'est-ce que?
Why is my digital display wearing a toupee?
